DATA AGRO LIMITED

DATA AGRO LIMITED DIRECTOR'S REPORT

The un-audited interim condensed financial statement of your Company with auditors review report thereon for the half year ended December 31, 2015 is presented along with an update on the Company's affairs and performance.

The results for the last six months shows a net loss of Rs. 3.186 million (Dec. 2014: loss Rs. 9.9041 million). Sales for the period were Rs. 23.100 million (Dec. 2014: Rs. 12.444 million).

Due to the seasonal nature of our business, we spend on production for the first six months and the output/sales come in the remaining period. Our major crop is Corn. Unfortunately last year was one of the worst for production. This year we have worked diligently to have better production of quality seed. We hope the results of this will be evident in the coming months when we sell the seed. The results of our new products hybrid 929, 2236 and 2368 are very promising and competitive with other seeds. Presently we have kept our margins low to introduce our self in wheat and cotton market. However, we plan to do not only larger quantity but also increase the profit margin in these crops.

Our policy of delinting & processing of seeds for third parties continues. We have established ourselves in this field and we do more third party delinting of seeds than any other company.

The management and sponsors are fully behind the project and assure the shareholders of all our efforts to make this venture a success.

INDEPENDENT AUDITORS' REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE MEMBERS

Introduction

We have reviewed the accompanying condensed interim balance sheet of DATA AGRO LIMITED as at December 31, 2015 and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement and condensed interim statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the "interim financial information"), for the half year then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as at and for the six months period ended December 31, 2015 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan.

The figures for the quarter ended December 31, 2015 and December 31, 2014 in the condensed interim profit and loss account and condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them.
