INTERIM CONDENSED FINANCIAL STATEMENTS QUARTER ENDED SEPTEMBER 30, 2014 (UN-AUDITED)

DATA AGRO LIMITED

DATA AGRO LIMITED DIRECTOR'S REPORT

On behalf of the management of the company, I am pleased to present the quarterly un-audited accounts for the period ended September 30, 2014.

The results for the last three months show a loss of Rs. 5.520 million (Sep. 2013: loss Rs.4.423 million). Sales for the period were Rs. 7.082 (Sep. 2013: Rs. 11.502 million).

The period under review is normally a dormant period for the industry but we were busy in the production of Hybrid Corn Seed and micronutrients.. We are quite pleased with the production results of our hybrid corn. The results of our new products hybrid 2271 and 2272 are very promising. Our trial production of our own hybrid corn seed has shown good results and inshallah with continued dedication of our agricultural experts we are hoping to get desired results. Our policy of delinting of third party cotton seeds will also continue.

The management and sponsors are fully behind the project and assure the shareholders of all our efforts to make this venture a success.

Lahore October 30, 2014 (FAAIZ RAHIM KHAN) Chief Executive
